WIKKI WEDNESDAYS

June 10 and 17th, 11am-3pm

Free drop-in class for ages 3+

Come and have some open-ended arts & crafts fun with us and Wikki Stix! Wikki Stix are wax covered strings that can be used in wide variety of ways (like bendaroos, but they've been around longer and are made in the U.S.A!) This is a great time to make Dads and Grampas something special for Father's Day. Parents and little siblings can look around the store or join in on the fun.
